

Loaves and fishes action rhyme

Here are the people
Listening to Jesus.
They had no food -
A big, hungry bunch.

Hold up all your fingers
Hands behind ears
Shake head
Rub tummy

This is the boy
With two little fishes
And five little loaves
To eat for his brunch.

Hold up one finger
Hold up two fingers
Hold up five fingers
Pretend to eat

This man is Jesus
Who broke up the food
And gave it all out
For the people to munch.

Hold up one finger
Pretend to break bread
Pretend to hand it out
Pretend to eat

These are the people
Who ate all their fill,
Then gathered the pieces -
Twelve baskets of lunch!

Hold up all your fingers
Rub tummy
Pretend to pick up remains
Hold up ten, then two more fingers
