

Play dough recipe

Ingredients

- $\frac{1}{2}$ cup salt
- 1 cup plain flour
- 2 teaspoons cream of tartar
- 1 cup water
- 1 tablespoon cooking oil
- 3 drops liquid food colouring (or more for a darker colour) - optional

Method

- Mix all ingredients together in a medium sized saucepan.
- Stir over a very low heat until dough is pliable.
- Knead well. (But take care as it will be hot.)
- Allow to cool and store in a well sealed plastic bag or container.

Alternative Methods

- Use boiling water instead of cold water. Then you don't need to cook it in a pan.
- Put ingredients in a bowl and cook in a microwave instead of a pan.
